A FAMILY NEWSPAPER-DEVOTED TO NEWS, LITERATURE, SCIENCE, MORALITY, AGRICULTURE AND AMUSEMENT.

Philadelphia, June 3, 1837.

Pol. IVI.

BY THE AUTHOR OF "NAT FOU LIKE IT."

There was a little glade in the spacious gardens of Sir Thomas Wentworth. He loved to make it his banquetting hall in the hot summer, the spot; and they agreed so pleasantly, that such as wandered tutber found no fault with high bedges close and frainly cut, forming a solid wall of darkest green round the retreatment with the long and formal siley, rooted with trellis work, over which, the music-roos, the long-san formal siley, rooted with trellis work, over which, the music-roos, the long-san fixed as a crystal foundation that the day freshesses which a crystal foundation that the day freshess which a crystal foundation that he day freshess which a crystal foundation that he day freshess which a crystal foundation was feel into its marble basin. All round the green enclosure were orange-trees, and pose agranates, basking in the theliter and the warrath, and where the lefter the tables were subject to the sure of the season of the sure of the season of the se

session; "and I agree our learning of light.

For he mand with the participate lections on white; And there was not a straph had crown more begin.

Or a consist tobe han he, mamma,
Or a consist robe han he, mamma,
Now sing, for I fain would sleep, mamma,
And dream as I dramed boster;
For sound was my slumber, and sweet was my rest,
While my spirit in the kingdom of light was gone;
And the heart that his throbb'd in the climes of the best advantage—on the spire of the king. And dense confidence in the best advantage—on the spire of the king, and now it was that he species to the king, when he found a friend, pious, bless'd,
Can low the world, no more, mamma,
Can low the world, no more, mamma,
Can low the world, no more, mamma,
THE EARL OF STRAFFORD.

There was a little glade in the spacious gardens of Sir Thomas Wentworth. He lorged the form his heart. Yet there was dignify even in baseness. A hold and manic character side principles and one offered from this former byte-form his heart. Yet there was dignify even in baseness. A hold and manic character side in the banquetting fall in the hold and fairly twil the high bedges close and frimity cut, forming a solid will of darkest green round the retrest in one with the long and formal alley, roord with the high bedges close and frimity cut, forming a solid will of darkest green round the retrest in one with the long and formal alley, roord with the high bedges close and frimity cut, forming a solid will of darkest green round the retrest in one with the long and formal alley, roord with the high bedges close and frimity cut, forming a solid will of darkest green round the retrest in one with the long and formal alley, roord with the high bedges close and frimity cut, forming a solid will be high bedges close and frimy cut, forming a solid will be high bedges close and frimy cut, forming a solid will be high bedges close and frimy cut, forming a solid will be high bedges close and fring the contraction of the contraction of the contraction of the contraction of the
